*** How to access the online meetings**

All starred agenda items will be streamed online via the CiscoWebex-Tool. Each item has an individual meeting event in the software. Interested members can access the conference via the following links. At all online meetings, participants can provide their input by writing into the chat box. Someone from the team will then give the input into the audience. The participants of the online events can follow the audio either by the computer or by being called for free through the CiscoWebex-Tool on the cell phone or landline. Participant capacity is up to 100.

At the event exclusively for the online community, the topic of the panel will be discussed. Results through the moderated discussion will then be presented at the beginning of the public panel discussion.

If you encounter any problems, contact board@goal-association.org.
